This is the time of year when Cup football begins to command everyone's attention. Tonight we have to concentrate on beating Halifax in our FA Cup first round replay before turning our thoughts to the Freight Rover Trophy.

I was present at the draw for the Freight Rover qualifying round which was made last week in the Lex Mead Showroom just down the road from Burnden.

Lex Mead will be sponsoring us on the Wembley trail again this season which kicks off with an away game

Phil Neal Notebook

against Burnley followed by a home draw against Blackpool.

I'm reasonably satisfied with those pairings but with two teams from the group going into the knockout sections of the competition it does mean that when Burnley play Blackpool in the final match of the group we will have finished our matches and they will know exactly what they have to do to qualify. We'll have to make sure that it doesn't matter to us what they do in that final game by taking at least three points from our two matches.

That lack of consistency during a match, which I mentioned here a couple of weeks ago, cost us three valuable points against Newport County. After creating enough chances to have won the game by half-time we seemed to go to sleep for 20 minutes at the start of the second half and allowed an 18 year old debutant to make his day by scoring the winning goal.

The result has put us back where we were before the hard won points from Brentford and Middlesbrough. It's doubly frustrating to recall that in our last eight games we've met three of the leading five teams in the Division without losing to any of them. That proves we can do it when we put our minds to it.

I was at Oldham on the morning of the Newport game to watch our youngsters earn a 2-2 draw in the FA Youth Cup on the Boundary Park artificial surface. It didn't change my personal views about artificial pitches with the two goalkeepers often appearing to be the most of dangerous attackers on the field. On the occasions I've played on a 'plastic pitch' I've come off feeling that I've not given the fans value for money. I believe football should be played on grass but I can appreciate the commercial sense and necessity of an artificial pitch in today's hard times.

SCANT CUP SUCCESS FOR HALIFAX

by Tony Pullein

It's almost seven years since Halifax defeated a Football League club in the F.A. Cup. It was back in January 1980 that they produced one of the upsets of the third round by beating First Division Manchester City by 1-0 at The Shay.

It was here at Burnden Park that their long barren spell in the F.A. Cup began. After that sensational victory over Manchester City, Halifax came here in the fourth round and were beaten 0-2.

Subsequent F.A. Cup experiences have been glum. In 1982 they were beaten at

home by non-League North Shields (0-1).

Since their last F.A. Cup visit to Burnden Park, Halifax have won only one tie and that was at home to non-League Goole Town (2-0) two seasons ago. Last season they were beaten at home by Scunthorpe (1-3) in the first round.

At the moment Halifax are wrestling with serious financial problems and they could use the cash a decent run in the F.A. Cup would bring them. They didn't meet with much success in the Littlewoods Cup. After losing at Huddersfield (1-3) in the first-leg of round one, they drew the return 2-2 but went out on aggregate.

Halifax are struggling close to the foot of the Fourth Division and have won only one away game — at Wolves (2-1). They drew at Crewe (2-2) but were beaten in their other away matches at Cambridge (0-1), Wrexham (1-3), Preston (2-3), Burnley (0-3), Torquay (0-1) and Scunthorpe (1-2).

The local public have responded quite well to Halifax's call for help. Attendances for their opening five home League matches only just touched the 1,000-mark but when the club announced that it could fold unless gates increased, a crowd of 1,640 — their best since last April — turned up for last month's game against Cardiff City.

Back row: (left to right) Mick Galloway, Jimmy Willis, Paul Sanderson, Dave Robinson, Phil Whitehead, Alan Knill, Paddy Roche, Phil Brown, Adrian Shaw, Dean Martin, Nigel Foster.

Front row: (left to right) Paul Fleming, Gary Nicolson, Russell Black, Billy Ayre (Assistant Manager), Mick Jones (Manager), David Longhurst, Steve Thornber, Barry Diamond.

Last season Halifax's average home attendance was 1,405 — only Torquay recorded a lower figure — so it is not difficult to appreciate the club's present plight.

Goal-difference saved Halifax from what would have been their third successive application for re-election at the end of last season. With 12 previous pleas for re-admission against their name, they might have had some difficulty in holding their place.

Founded in 1911, Halifax were among the founder members of the Third Division (North) in 1921. They remained in that division until they qualified for the newly-formed national Third Division in 1958.

Relegation came in 1963 but they regained their Third Division place six years later. Since suffering their last relegation in 1976 they have remained in the Fourth Division.

Halifax's best achievements in the F.A. Cup were runs to the fifth round in 1933 and 1953.

MICK JONES (Manager). Mick Jones returned to management in October 1984 when he took over his present post at The Shay. After periods in charge of Kettering Town and Mansfield Town, he had spent three years as a Scout. He began his playing career with Derby County where he was a reserve player and it was after joining Notts County that he got his chance in League soccer in 1969. Mr Jones completed more than 100 League appearances for County and then moved on to Peterborough in 1973. He remained with the Posh for three years and then took up coaching. Kettering Town appointed him manager and he led them to the Southern League Championship and to the final of the F.A. Challenge Trophy at Wembley. His successes in non-League circles earned him the chance to take over at Mansfield in August 1979 and he remained with the Stags for two years.

PHIL WHITEHEAD (Goalkeeper). Phil joined Halifax from school and was given his first chance in League football this season. He made his debut at Barnsley in September.

PHIL BROWN (Defender). Phil emerged as a League player with Hartlepool in 1980 and made well over 200 appearances for the North-East club before his transfer to Halifax during the 1985 close-season.

ALAN KNILL (Defender). Alan began his professional career with Southampton but there were so many established defenders at The Dell that he saw little future for him there. He joined Halifax in 1984 and went

straight into their League eleven.

MICK MATTHEWS (Defender). Mick started his League career with Wolves in 1980/81 and made around 80 senior appearances for the Molineux club before moving to Scunthorpe in 1983. Halifax signed him this season.

DAVID ROBINSON (Defender). David joined his local club Hartlepool and won a chance in their League eleven in 1982/83. For the past two seasons he had been a fixture in their Fourth Division side but this summer he moved on to Halifax.

ADRIAN SHAW (Defender). Adrian was a reserve player with Nottingham Forest and it was after he had moved on to The Shaw that he began to make progress. He has been in the side since making his debut two years ago.

NEIL MATTHEWS (Midfield). Neil has been loaned from Grimsby Town. He served his apprenticeship at Blundell Park and made his League debut in 1984/85. Last season he was loaned to Scunthorpe.

GARY NICHOLSON (Midfield/Defender). Gary served his apprenticeship with Newcastle and played a dozen League games before signing for Mansfield in 1981. He soon played himself into the Stags' side and, in three years, topped 100 performances for them. York signed him in 1984 and he was transferred to Halifax in 1985.

PAUL SANDERSON (Midfield). Paul was a Manchester City apprentice but he moved on to Chester who blooded him in their League eleven in 1983/84. He joined Halifax at the end of that season.

MIKE GALLOWAY (Midfield). Mike is a former Scotland youth international who was spotted by Mansfield Town when he was playing in non-League football. He got into the Stags' League team in 1983/84 and was transferred to Halifax last season.

RUSSELL BLACK (Forward). Russell developed in the junior teams at Sheffield United and made his League debut for the Blades two seasons ago. Halifax signed him this summer.

DAVID LONGHURST (Forward). David completed his apprenticeship with Nottingham Forest but didn't come into contention for a first-time place at the City Ground. He moved on to Halifax and last season he was their second-highest scorer with 14 goals.

RICK HOLDEN (Forward). Rick is a student at Carnegie College, Leeds, and was introduced to Halifax's League eleven in October, since when he has been holding his place.

BURNDEN ROAD RUNNERS

The Wanderers running club, The Burnden Road Runners, have recently been involved in a change of sport. To keep fit during the winter months they have turned their hand to football and haven't done too badly with a win, draw and loss in their three games to date.

Nat West defeated the runners in their first game, 2-1 at Stockport, but revenge was gained in the home leg to the tune of 8-3. Prior to the last home game a 4-4 draw resulted with Newport County Supporters club who play regularly in a local Sunday league. The Runners fitness told as they came from 4-1 down with only ten minutes remaining!

A date for your diary is the 12th April 1987, that is the provisional date, for the fourth annual Trotters thirteen half marathon race from Burnden.

GOALS GALORE

Don't let anyone tell you that the Wanderers are not entertaining away from home. The 0-0 draw with high flying Middlesbrough at Ayresome Park was the first time in three years that the Wanderers have been involved in such a scoreline on their travels.

The previous scoreless result came at Lincoln City in November 1983.

Incidentally the Wanderers reserves have gone even longer without playing a scoreless game away from home. Their last blank game came at Wolves in May 1982!

DEREK's 50

Wanderers popular player Derek Scott completed his 50th League game for the club against Newport. Having missed only three games in the whole of last season, all due to injury, he sustained a terrible injury on the opening day of the season that would have kept lesser players out much longer.

Although he has yet to find the net for the Wanderers he did crash in a twenty five yarder in the 6-1 Central League win over Blackpool.

WELCOME COBBER

When Meg and John Hinton want to watch the Wanderers they have to travel over 20,000 miles round trip.

So when the couple turned up at the Chester City game, Wanderers' President Nat Lofthouse made a point of seeking them out and giving them VIP treatment. And he presented them with a few mementos to take back Down Under with them.

Flashback

PREVIOUS ENCOUNTERS

We welcome Halifax Town to Burnden Park this evening in the knowledge that the Wanderers have never lost to the Shaymen in the seven league and cup games between the clubs.

Halifax have made two previous cup visits to Burnden, the first being in 1934, when the Wanderers, then in the Second Division, beat Halifax, who were then in the Third Division (North), 3-1 in a third-round tie. A crowd of 24,885 saw Willie Cook grab two goals and Ray Westwood one whilst Fred Tunstall was the Halifax scorer.

In 1980 Halifax were sent to defeat at Burnden by goals from Roy Greaves and Neil Whatmore, in a fourth-round tie, the Fourth Division side having knocked out Manchester City in the previous round.

At league level, the four games between the clubs have all taken place in the Third Division. In 1971/72 a 1-1 draw resulted at Burnden, Roy Greaves for Bolton and Bill Atkins for Town netting the goals. At The Shay a second half goals from Roger Hunt settled the issue whilst the following season a 1-1 draw resulted in the same fixture. Paul Jones gave Bolton a first half lead but they had to be happy with a point with the equaliser coming from Lammie Robertson.

A crowd of 20,062 saw the last league game between the clubs in April 1973. A hat-trick in the space of 34 minutes from Stuart Lee won the points to eventual promotion for the Wanderers. Halifax on the other hand were fighting relegation but managed to stay up on goal average by winning their next four games.

Our league record against Halifax is as follows:

	PL	W	D	L	F	A
HOME	2	1	1	0	4	1
AWAY	2	1	1	0	2	1
TOTAL	4	2	2	0	6	2

15 YEARS AGO

13th November, 1971. The Wanderers went down 2-1 to Chesterfield at Saltergate and finished the game with only ten men, Warwick Rimmer being sent off in the 62nd minute, after a clash with David Pugh.

Dave Wilson and Charlie Bell gave the home side a two-goal advantage before Roger Hunt reduced the arrears in the 49th minute.

Centre-half John Hulme asks for a transfer and the youth team draw 2-2 with Blackpool at Burnden in the Lancs Youth Cup. Sam Allardyce gets both Bolton goals, his second, a penalty in the last minute.

20th November, 1971. Goals from John Ritson, Peter Nicholson and Chris Duffey defeat Bangor City in the first round of the F.A. Cup on a snow-covered Burnden pitch.

10 YEARS AGO

13th November, 1976. A friendly with First Division Stoke City at Burnden had to be called off with a blanket of fog covering the ground. Ex-England 'keeper, Gordon Banks, was to have made his comeback.

20th November, 1976. Bolton came from behind to defeat F.A. cup-holders, Southampton, 3-1 at the Dell. Ted MacDougall put the Saints in front just before the interval but Steve Taylor set up Neil Whatmore to equalise in the 56th-minute and then scored twice himself.

The Wanderers extended Roger Hansbury's loan period from Norwich City for another month.

5 YEARS AGO

14th November, 1981. Bolton went down 2-0 to Shrewsbury Town at Gay Meadow in a game where everything went wrong for them. Firstly, Mike Bennett put through his own goal, when under no pressure, after only five minutes. Two minutes into the second half the Wanderers were awarded a penalty but Brian Kidd played the spot-kick straight at Bob Wardle. Five minutes later Kidd was substituted in what was his last game for the Wanderers.

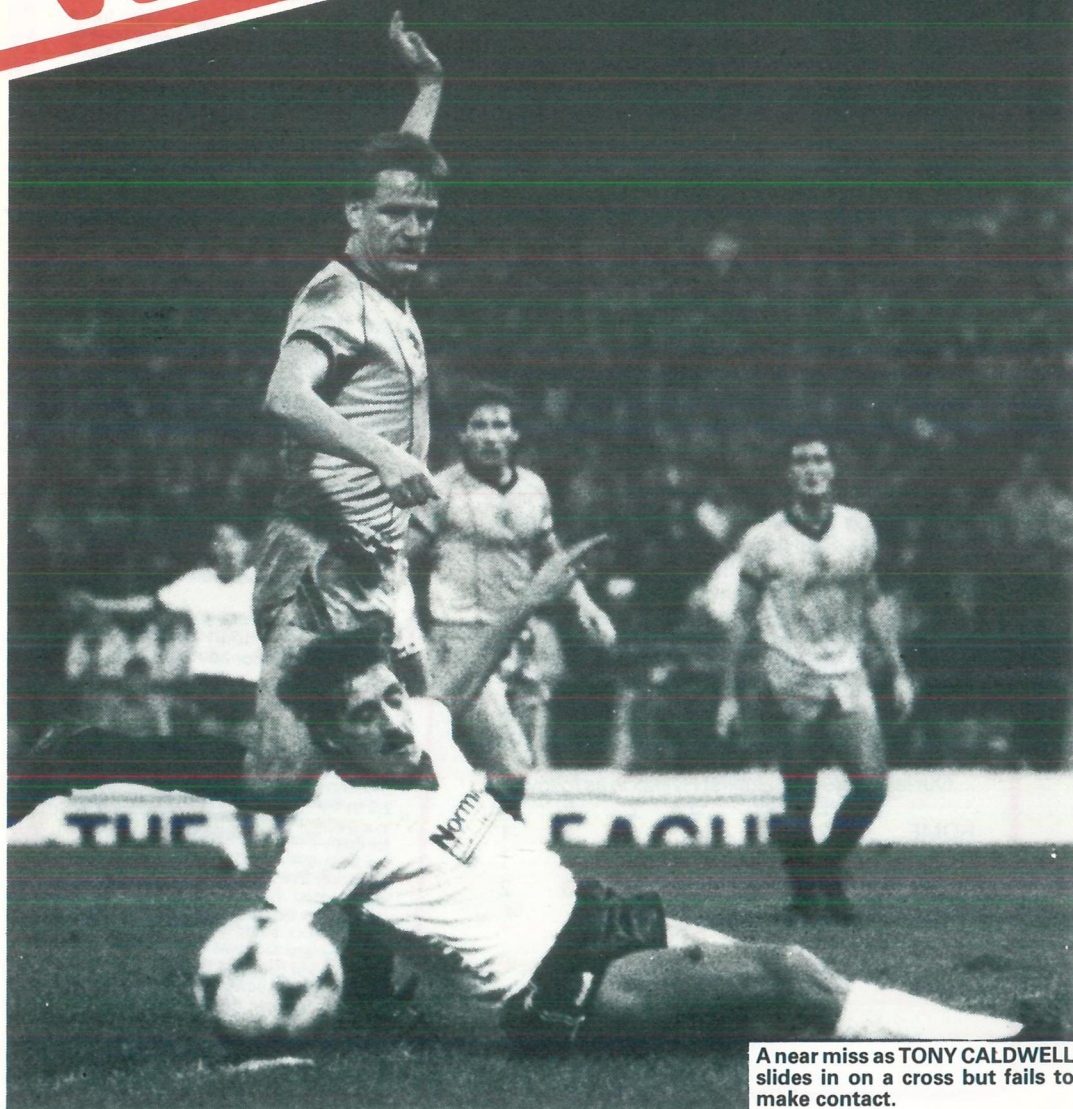

Shrewsbury sewed the game up with a penalty nineteen minutes from time, Ian Atkins giving Jim MacDonagh no chance with a rocket shot.

Reserve Report

5th November 1986. Barnsley Reserves 1 Bolton Wanderers Reserves 1

A young Wanderers reserve side kept up their fine run of away results and but for a defensive slip up would have come away from Oakwell with victory.

Ian Chandler had two good chances for the home side but it was the Wanderers who took the lead after 12 minutes. A Chris O'Brien corner found Paul Griffin who rose to powerfully head home from close in.

The experienced Paul Futchter caused problems for the Wanderers defence when he headed against the crossbar from a good position, but the same player had no alternative but to bring Paul Allen crashing to the ground, at the other end, after he had been beaten by the youngster.

Sidlow equalised for the home side in the 55th minute, cashing in on a defensive mix up thirty yards from goal, to race clear and shoot underneath Kevin Mailey.

Nick Brookman and Paul Griffin forced Paul Malcolm in the Barnsley goal into producing good saves whilst Ian Callaghan had to clear a Chandler shot off the line.

Six minutes from time the Wanderers almost stole the points when a delightful crossfield move involving Ian Callaghan and Ian Mullineux resulted in the ball rebounding off fullback Harber and roll agonisingly on the wrong side of the post. Team: Mailey, Hughes, Brookman, Miller, Rushmore, Banks, Booth, Allen, Griffin, Callaghan, O'Brien. Subs. Mullineux for O'Brien, Higgins.

FA YOUTH CUP FIRST ROUND

8th November 1986. Oldham Athletic 2 Bolton Wanderers 2

Paul Griffin was again on the mark with a

header to save the Wanderers with only four minutes of the game remaining.

Oldham had the better of the early exchanges and looked more controlled on the plastic surface. It was the Wanderers however who took the lead in the 27th minute. Oldham keeper David Williams misjudged his punch from a right wing corner and Oldham fullback, Chris Joughin, could only help the ball over the line.

Nine minutes later Oldham equalised, Bob Monaghan turning sharply, to force the ball home from eight yards.

The Wanderers looked much sharper in the second half and were getting on top when Monaghan cashed in on a mistake to put Oldham in front.

Jon Senior forced a good save out of Williams with a twenty yard effort but it looked as if the Wanderers were on their way out until that brilliant header from Griffin. Indeed, the Wanderers could have won the game, as two minutes later Chris O'Brien saw his shot cleared off the line by centre half Mike Flynn in what was an exciting finish.

Team: Price, Hughes, Brookman, Callaghan, Boyle, Banks, Senior, Raven, Griffin, O'Brien, Mullineux. Subs: Booth for Raven, Higgins.

PAUL GRIFFIN — scorer in both games.
